COMPANY PROFILE

2022

ABOUT **US**

Timesave Express exists to bridge the gap that is found in most South African industries that simply do not have the capacity to have an internal logistics division with the relevant experience. We endeavour to combine our expertise and customer understanding to deliver tailored services that are guaranteed to work.

A photograph of a warehouse worker wearing a white shirt, a high-visibility orange hard hat, and a safety harness. The worker is standing in a large warehouse filled with tall stacks of cardboard boxes. A red semi-transparent banner is overlaid on the image, containing the text 'GET TO KNOW US'.

MISSION / VISION

Our mission is to provide timely services in all our expertise by incorporating cutting edge technologies, innovation, commitment, passion, integrity, and service excellence. In doing so, we endeavor to add value to our client's business and overall growth.

Our vision is to become a renowned South African based Freight and Logistics company with global partners. Our mission also goes beyond the success of the company and that is why we aim at Job growth that will create jobs and mentor future entrepreneurs.

"We will get the job done in time" that is our motto and philosophy. We endeavour to build Business to Customer (B2C) and Business to Business (B2B) relationships that are built on:

- Trust
- Reliability
- Accountability
- Transparency
- Honesty
